

To Speak is Human

To Shine is Divine

***Don't let the world dull your brilliance and keep you in the shadows -
It's Time to Burst Out and SHINE!***

The world wants women to believe they are ordinary. It wants them to compare themselves to each other, believe they are 'less than' and not enough. . . Why? So it can sell to them, manage, and control them.

The truth is women are Powerful, Brilliant, and Extraordinary!

Delinda's strict upbringing, feeling she never had a voice or choice in her life, now compels her to help women find their voice and step into their greatness. She speaks at Women's Conferences, Retreats, Associations, and Churches as a keynote speaker, breakout trainer, and Conference Leader. She can also bring her conference package of *Step into Your God-Sized Dreams* to your women's event.

The audience will discover how to:

- Walk in Confidence and Shine
- Embrace Change and Rise
- Release Guilt and Move Forward

Delinda is the author of *How to Step into Your God-Sized Dreams*, Founder of Fun Fearless Female, Global Community of Christian Women, a 501 (c)(3), and is a former PINK Cadillac Senior Director, Mary Kay Cosmetics.

Audiences love Delinda's energy! Her combination of high-heel glamor and "tell it like it is" straight talk is both magnetizing and motivating, galvanizing audiences to take their lives to the next level personally and professionally, ultimately realizing their dreams! Delinda is a role model for women everywhere who walks her talk and, thereby, **lights the way for others to do the same.**

...Delinda was so inspirational that I knew immediately she was the 'real deal.' Her energy is contagious, but she also is aware when it is time to take a step back and let her audience direct her.- Andrea M. - Regional Officer, BNI

I am so glad I got connected with Delinda She has an amazing ability to sift through all my words and discern just what I need to do to make the next forward step.
